Word from the Board...

Sacramento Tamil Mandrum (STM) once again warmly welcomes you to this great evening to celebrate Tamil New Year 2007. As you may be aware, STM is a non-profit, non-political, non-religious organization established in 1997 to promote Tamil culture in and around the Sacramento Valley area. The success behind this organization is that it has adapted to changing times and needs of the Tamil Community. Keeping this in mind, the Mandrum has worked hard to bring the best performances from our local talent to this New Year Event. We hope you will enjoy this function and give your continuous support for the growth of Sacramento Tamil Mandrum.

STM board nominates the President, Secretary and Treasurer every year. We are proud to say here that that our Mandrum functions without any membership fee for the past ten years because of your dedicated support. The funds collected by means of entrance fee from the participants, their families and other attendees for this event. This and the generous donations from various local businesses are the Mandrum's financial resources to conduct this grand Tamil New Year event and subsequently the summer picnic and Diwali program.

We recognize, honor & remember one of **the founder and past president** of our Mandrum, late **Mr. Joshua Ebenezer** for his commitment, dedication and hard work helping the community. Further, we thank the previous presidents, secretaries, treasurers and all other board members, for their sincere efforts, which has helped our Mandrum grow all these years.

Your suggestions to improve any of the Mandrum functions are most welcome. Please visit our website (www.sactamil.org) for further information about Tamil Mandrum and register your contact information.

We thank every one of you for your continued support and patronage.

Wishing you all a Happy and a Prosperous New Year.

Now relax and enjoy the evening please.....

Every man should get married some time; after all, happiness is not the only thing in life!! --Anonymous

Bachelors should be heavily taxed. It is not fair that some men should be happier than others. --Oscar Wilde

I don't worry about terrorism. I was married for two years. --Sam Kinison

Men have a better time than women; for one thing, they marry later; for another thing, they die earlier. --H. ! L. Mencken

Marriage is a three ring circus:

- engagement ring
- wedding ring
- suffering

When a newly married couple smiles, everyone knows why. When a ten-year married couple smiles, everyone wonders why.

Love is blind but marriage is an eye-opener.

When a man opens the door of his car for his wife, you can be sure of one thing: either the car or the wife is new.

I take my wife everywhere, but she keeps finding her way back.

I asked my wife, "Where do you want to go for our anniversary?" She said "Somewhere I have never been!" I told her, "! How about the kitchen?"

We always hold hands. If I let go, she shops.

She ran after the garbage truck, yelling, "Am I too late for the garbage?" Following her down the street I yelled, "No, jump in!"

School:: A place where Papa Pays and Son Plays.

Life Insurance: A contract that keeps you poor all your life so that you can die Rich.

Marriage: It's an agreement in which a man loses his bachelor degree and a woman gains her masters.

Divorce: Future tense of Marriage.

Tears: The hydraulic force by which masculine willpower is defeated by feminine waterpower..

Teacher: What is the chemical formula for water?

Sarah: HIJKLMNO

Teacher: What are you talking about?

Student: Yesterday you said it is H to O

Teacher: Tommy why do you always get so dirty?

Tommy: Well, I am a lot closer to the ground than you are

Silvia: Daddy can you write in the dark?

Father: I think so. What do you want me to write?

Silvia: Your name on this report card.

Teacher: Ellen, give me a sentence starting with "I".

Ellen: I is

Teacher: No Ellen, always say, "I am"

Ellen: Alright, I am the ninth letter of the alphabet.

Teacher: Now Sam tell me frankly do you say your

prayers before eating?

Sam: No sir, I don't have to, my mom is a good cook

Teacher: George, go to the map and find North America.

George: Here it is

Teacher: Correct. Now class, who discovered America?

Class: George

Teacher: Can anybody give an example of a "COINCIDENCE"?

Johnny: "Sir, my mother and father got married same day same time."

Teacher: Why are you late?

Johnny: Because of the sign

Teacher: What sign?

Johnny: School Ahead! Go Slow

When NASA began the launch of astronauts into space, they found out that the pens wouldn't work at zero gravity. (Ink won't flow down to the writing surface). In order to solve this problem, they hired Andersen Consulting. It took them one decade and 12 million dollars. They developed a pen that worked at zero gravity, upside down, under water, in practically any surface including crystal and in a temperature range from below freezing to over 300 degrees
